Cohen, Ronald. Marriage instability among the Kanuri of Northern Nigeria. American Anthropologist, 63 (1961): 1231-1249. Menasha, American Anthropological Association, 1961.

2 tables; bibliography.

HRAF copy.

[The ethnographic data presented in this article are mostly derived from the author's doctoral dissertation which has been processed for this file; cf. 3: Cohen, category 116, especially pp. 99-147 concerning "Marriage Relations." The article is worthwhile reading, however, for the theoretical problem at which Cohen directs his analysis.]

Surveyed in 1969.
